### REMARKS

In the Office Action dated November 15, 2005, the Examiner indicated that the application is in condition for allowance except for certain formal matters. Applicant appreciates the indication of allowability and has amended the application as requested by the Examiner to address the identified formal matters.

In particular, Applicant submits replacement formal drawings and has amended the abstract as indicated above. A clean copy of the amended abstract is attached as Appendix A.

It is believed that all outstanding issues have been addressed. However, the absence of a reply to a specific rejection, issue or comment does not signify agreement with or concession of that rejection, issue or comment. In addition, nothing in this paper should be construed as an intent to concede any issue with regard to any claim, except as specifically stated in this paper, and the amendment of any claim does not necessarily signify concession of unpatentability of the claim prior to its amendment.

No fee is believed to be due at this time. However, if Applicant is incorrect, please apply any charges or credits to deposit account 06-1050.
